"Jason Papowitz inspired the audience from beginning on, which was evidenced by standing ovations, bravos and unending applause." – *Nachrichten Berg und Starnberg*

"He has a glorious voice and produced a burnished tone with fine ring." – Kathy Grantham, *North County News*

"His powerful soaring tenor voice closed the first act with bravos after the wonderful and long love duet." – Vincent Schommer, *The Times Herald Record*

"Jason Papowitz, for his part, was brilliant as a magnificent Verdi tenor from top to bottom." – Stephanie Knauer, *Augsburger Allgemeine*

"On the side of the law, Jason Papowitz's Inspector Heat had some nice moments, and brought empathetic charm to the final scene with Winnie." – Whitney Scott, *Operaticus*

"Jason Papowitz (sang) the role of Chief Inspector Heat in a polished tenor." – Bruce-Michael Gelbert, *On Stage*

"Standouts among a hard-working vocal cast included Jason Papowitz as a sympathetic Chief Inspector Heat." – Steve Smith, *The New York Times*
